We go out with friends

We love huge green parks

We can go punting  
night and day it is ok  
don't fall off the boat

Don't loose your balance  
cause you will be pretty wet  
pay attention now

We can go cycling  
in front of the colleges  
and damp by the

we can go shopping

## Acrostik

Churches are places to pray  
and often they are also grey

Many students miss classes on Friday  
Because they

Really wanted to stay all night away  
I am usually never on delay

Don't know many people from Broadway  
Give me the key for the gateway

End my story with a bye again

## Ode

An Ode is a lyric poem, usually addressing a particular person or thing. It originated in Ancient Greece.

### Ode to my father

Oh dear father,

You are the reason that my story started,  
You are the person that is bighearted.

A wonderful person, above all the rest,

My father is simply the best.

A warm caring person, who's loving and kind,  
No better father, a daughter can find.

Oh dear father,

you listen, suggest, and  
sometimes defend.

My father, you are one of my very best friends!

In all that you do, Dad  
Love plays a part.

There is always a place for  
you in my heart.

And as each year passes,

I'm even more glad,  
More grateful and proud

That God sent you for me from above,

So I can give you my love

There was a young girl who was Swiss  
who didn't know how to kiss

She tried it one day  
And realised she was gay  
and married her boyfriend's sis.
